# OUR PRODUCTS

## GELATO & SORBET

### GELATO

---

Gelato is Italian ice cream. Made with milk instead of cream, it has less air whipped in and is served at a warmer temperature than ice cream, yielding a **rich and creamy texture with intense, mouthwatering flavor.**

- Naturally low in fat & no trans-fat
- Free from artificial flavors & colors & rBGH
- Gluten Free (most flavors)
- Twice as dense as ice cream

### SORBET

---

Sorbet is just like gelato, but made with fruit and no dairy. It's often confused with sherbert or Italian ice, but G.S. Gelato's sorbet is so **smooth and velvety** you'll have a hard time believing it's allergen-free!

- 100% Fat, Trans-Fat, Gluten & Dairy Free
- Free from artificial flavors & colors
- All natural & artisan
- Made with real fruit

# SOFT SERVE

We have perfected the art of creating frozen yogurt, soft serve gelato and soft serve sorbet. G.S. Gelato takes pride in being your frozen yogurt supplier using only the purest of ingredients from the finest resources around the world.

The simple three steps **“thaw, pour, and serve”**, delivers great advantages to operators. Easy preparation without sacrificing quality, taste, consistency, and profitability.
