

ALL BECAUSE TWO PEOPLE FELL IN LOVE...

In 1996, Simona Faroni and Guido Tremolini brought their passion for authentic Italian gelato to Florida's Emerald Coast with just their love for each other and the idea of the American dream. After 14 months of perseverance, they became the **first manufacturer of authentic gelato and sorbetto in the United States** for wholesale production using the first-ever imported Italian equipment.

Decades later, **G.S. Gelato is the nation's leading manufacturer** of gelato, sorbetto, and non-dairy frozen desserts for foodservice and private label retailers. Join us on our journey to craft the world's most exquisite frozen creations!
